**AHAA Celebrates 15th Year**

In June of this year the **American Healing Arts Alliance Inc.** will be celebrating our fifteenth year since our founding in 1996. Our non-profit organization started as an alliance of dedicated healing arts instructors, practitioners and supportive general public members with the goal of offering healing arts educational programs to the health conscious community.

Whether you are a current active or past member or have been an attendee at any of our programs we encourage you to participate in our milestone anniversary year events.

Two anniversary events will be held in June 2011 beginning on June 10<sup>th</sup> as our fifteenth year anniversary date. The events will include a pot-luck on **Saturday, June 11, 2011** 4-7pm to celebrate our official beginnings with a presentation about the history of AHAA and the evolution of the various peace projects sponsored by AHAA.

On **Tuesday, June 21, 2011** we will also be celebrating the thirteenth anniversary of the Inner Peace Treaty™ global peacebuilding project that began its formal global ratification process in Annapolis, Maryland on June 21, 1998. Details on these events to follow.

We are also collecting AHAA related stories that include examples of healing, self-discovery and upliftment in relationship to our AHAA programs. This would include examples of "aha" inspiring moments or memorable experiences at any AHAA sponsored special event, monthly event, educational program, board or planning committee meeting, social pot-luck or conference.

We invite you to email us a testimonial description of your experience. Please keep it between five to fifteen sentences long. If you include any photos please indicate that we have your permission to include your written words, photo and/or video in our archival collection.
